Subject:

Application for 'Software Engineer (Python)' role at ABC Tech Nepal

Respected Sir/Madam, With reference to the subject as cited above, I Labin Ojha, would like to apply for a 'Software Engineer (Python)' role at ABC Tech Nepal. I found the said reference through a job portal site and information provided on the company's official website.

I am writing to express my interest in the 'Software Engineer (Python)' position at ABC Tech Nepal. With my skills and experience in Python programming, Flask framework, and SQL databases, I am confident in my ability to contribute effectively to your team.

I am a graduate with a BSc. in Computer Science from Tribhuvan University and have previously worked as a full-stack software developer with Beta Analytics Pvt. Ltd. on their in-house project.

I am confident I can learn any new technology on the job. I also have a deep interest in emerging technologies and the businesses that they enable. I believe I can provide value to your company and also fuel my personal growth as a developer in this role available at your company.

I would very much like to discuss the aforementioned opportunity at your company. To schedule an interview, please call me at {sender_phone}. Thank you for taking the time to review my resume. I look forward to talking with you.

Sincerely,

Labin Ojha
